

Retlif Testing Laboratories is a full service independent testing laboratory providing regulatory compliance testing and engineering services in the areas of Product Safety, Electromagnetic Compatibility and Environmental Simulation across all industry sectors. We are currently seeking an entry level full-time Test Engineer to join our Harleysville, PA laboratory.

RESPONSIBILITIES:

The selected candidate will be responsible for, including but not limited to:

- The oversight and performance of product safety evaluations of customers products, including but not limited to:
 - Design review
 - Construction review
 - Test suite identification
 - Test sample preparation and setup
 - Execution of test
 - Documentation of results of reviews and tests
 - Customer interaction
- Providing support to the sales team in order to:
 - Apply appropriate test standards
 - Provide time and cost estimates
- Supporting engineering in the development of both internal and customer specific test procedures.
- Supporting engineering in the development of new service offerings

QUALIFICATIONS:

- Bachelor's Degree in relevant discipline or field, or equivalent education and training, and 2 years job related experience.
- Knowledge of UL standards and EU EMC and LV Directive and associated tests desirable, but not required.
- Excellent organizational skills and attention to detail.
- Excellent computer skills.
- Excellent interpersonal skills.
- Strong verbal and written communication skills.
- Strong math skills.
- Ability to perform multiple tasks and meet strict deadlines in a fast-paced environment.
- Ability to work independently.
- Ability to lift 50 pounds-bend, lift and twist.
- Must have a background that would permit the U.S. Department of Defense to issue a Secret Clearance, which includes US Citizenship.

Interested in a position at one of the USA's leading independent testing laboratories? Come to us for a career, not a job. We are an equal opportunity employer. Retlif provides excellent personal growth opportunities, a professional atmosphere and comprehensive employee benefits such as:

- 401K plan
- Tuition reimbursement plans
- Medical, dental and vision insurance
- Paid vacations
- Paid holidays
